Health insurance plans are intended only to supplement out of pocket expenses for health care, please understand that that **your insurance may not cover all of the care that you need**. We will contact your insurance company to verify all of your insurance benefits & report the coverage back to you.

Our primary relationship is with you, the patient, not the insurance company. Given that we accept your case, our recommendations will be based upon what your needs are & what we believe is best for you.

I understand and agree to the following:

There is no guarantee that my health insurance plan or policy will pay for all or part of my care. As the patient or guardian of a patient, I am ultimately responsible for all charges incurred from services rendered at Cannon Pointe Chiropractic.
